

Drug Related Crime Report

UNODC WDR 2021 PrePub

Albania

Year 2019 **Source: ARQ**

Type of formal contact*: Not Specified

At which stage data collected*: Uncertain

When police become aware of the criminal fact and refer the case to the competent Prosecution Office

Number of persons brought into formal contact:

Breakdown by drug and gender (where available):

Drug Type	Specification (where applicable)	Total	Male	Female	Adults:	Minors:
Trafficking						
All illicit drugs		195	193	2	195	0

Total number of Offences: 83

Year 2018 **Source: ARQ**

Type of formal contact*: Other than number of persons arrested/suspected/cautioned.

Number of persons referred for prosecution from Police to the competent prosecution office either arrested or not

At which stage data collected*: Uncertain

When police become aware of the criminal fact and refer the case to the competent Prosecution Office

Number of persons brought into formal contact:

Breakdown by drug and gender (where available):

Drug Type	Specification (where applicable)	Total	Male	Female	Adults:	Minors:
Trafficking						
All illicit drugs		2,215	2,179	44	2,136	87

Total number of Offences: 1,709

Year 2017 **Source: ARQ**

Type of formal contact*: Other than number of persons arrested/suspected/cautioned.

Number of persons referred for prosecution from Police to the competent prosecution office either arrested or not

At which stage data collected*: Uncertain

When police become aware of the criminal fact and refer the case to the competent Prosecution Office

Number of persons brought into formal contact:

Breakdown by drug and gender (where available):

Drug Type	Specification (where applicable)	Total	Male	Female	Adults:	Minors:
Trafficking						
All illicit drugs		2,270	2,215	55	2,079	191
Cannabis-type		1,911	1,892	19		
Cocaine-type		173	173			
Opioids		147	143	4		

Total number of Offences: 1,837

Type of formal contact*:

Other than number of persons arrested/suspected/cautioned.
Number of persons referred for prosecution from Police to the competent prosecution office either arrested or not

At which stage data collected*:

Uncertain
When police become aware of the criminal fact and refer the case to the competent Prosecution Office

Number of persons brought into formal contact:

Breakdown by drug and gender (where available):

Drug Type	Specification (where applicable)	Total	Male	Female	Adults:	Minors:
Trafficking						
All illicit drugs		2,052	2,016	36	1,930	122
ATS		0				
Cannabis-type		1,733	1,697	36		
Cocaine-type		151	151	0		
Hallucinogens		0				
Opioids		99	99	0		
Total number of Offences:		1,574				

Type of formal contact*:

Other than number of persons arrested/suspected/cautioned.
number of persons referred for prosecution from Police to the competent prosecution office either arrested or not.

At which stage data collected*:

Uncertain
When police become aware of the criminal fact and refer the case to the competent Prosecution Office.

Number of persons brought into formal contact:

Breakdown by drug and gender (where available):

Drug Type	Specification (where applicable)	Total	Male	Female	Adults:	Minors:
Trafficking						
All illicit drugs		1,518	1,497	21	1,518	0
Cannabis-type		1,328	1,312	16		
Cocaine-type		52	51	1		
Opioids		120	118	2		
Other NPS		11	10	1		
Total number of Offences:		1,228				

Caution: Breakdown should normally be consistent with totals. In particular, the sum of adults and minors should normally coincide with the total number of persons under "All illicit drugs" (in bold). However, the number of persons is distinct from the number of offences. Inconsistent breakdowns into male/female or adult/minor are highlighted in yellow

Year 2014 Source: ARQ

Type of formal contact*: Number of persons suspected
At which stage data collected*: When the offence is reported to the police ('input' statistics)

Number of persons brought into formal contact:
Breakdown by drug and gender (where available):

Drug Type	Specification (where applicable)	Total	Male	Female	Adults:	Minors:
Possession/Abuse						
All illicit drugs		20,064	17,231	2,833	18,900	1,158
Total number of Offences:		20,691				

Trafficking

All illicit drugs		1,298	1,117	181	1,282	16
Total number of Offences:		1,162				

Caution: Breakdown should normally be consistent with totals. In particular, the sum of adults and minors should normally coincide with the total number of persons under "All illicit drugs" (in bold). However, the number of persons is distinct from the number of offences. Inconsistent breakdowns into male/female or adult/minor are highlighted in yellow

France

Year 2019 **Source:** ARQ

Year 2015 **Source: ARQ**

Type of formal contact*: Other than number of persons arrested/suspected/cautioned.
The number of prosecuted persons (persons) as well as a number of persons that have been brought to administrative liability

At which stage data collected*: After investigation ('output' statistics)
Stage of procesution in criminal cases

Number of persons brought into formal contact:

Breakdown by drug and gender (where available):

Drug Type	Specification (where applicable)	Total	Male	Female	Adults:	Minors:
Possession/Abuse						
All illicit drugs		1,366	1,159	207	1,337	29
Total number of Offences:		2,266				
Trafficking						
All illicit drugs		543	447	96	517	26
Total number of Offences:		1,341				

Year 2014 **Source: ARQ**

Type of formal contact*: Number of persons suspected
Only criminal offences - possession and use.

At which stage data collected*: When the offence is reported to the police ('input' statistics)
Only criminal offences.

Number of persons brought into formal contact:

Breakdown by drug and gender (where available):

Drug Type	Specification (where applicable)	Total	Male	Female	Adults:	Minors:
Possession/Abuse						
All illicit drugs		803	675	128	788	15
Total number of Offences:		2,047				
Trafficking						

All illicit drugs		392	304	88	383	9
Total number of Offences:		749				

Caution: Breakdown should normally be consistent with totals. In particular, the sum of adults and minors should normally coincide with the total number of persons under "All illicit drugs" (in bold). However, the number of persons is distinct from the number of offences. Inconsistent breakdowns into male/female or adult/minor are highlighted in yellow

Lebanon

Year 2019 **Source:** ARQ

Total number of Offences: 846

Year 2014 Source: ARQ

Type of formal contact*: Number of persons arrested

At which stage data collected*: After the report to the police but before investigation

Number of persons brought into formal contact:

Breakdown by drug and gender (where available):

Drug Type	Specification (where applicable)	Total	Male	Female	Adults:	Minors:
Possession/Abuse						
All illicit drugs		1,453	1,237	216		
ATS		320	277	43		
Cannabis-type		776	681	95		
Cocaine-type		44	41	3		
Hallucinogens		9	8	1		
Opioids		9	9	0		

Total number of Offences: N/A

Caution: Breakdown should normally be consistent with totals. In particular, the sum of adults and minors should normally coincide with the total number of persons under "All illicit drugs" (in bold). However, the number of persons is distinct from the number of offences. Inconsistent breakdowns into male/female or adult/minor are highlighted in yellow

Portugal

Year 2019 **Source:** ARQ

Type of formal contact*: Number of persons suspected
Individuals referred to the Commission for the Dissuasion of Drug Abuse (CDT), not criminal system

At which stage data collected*: When the offence is reported to the police ('input' statistics)
Data from the official statistics recorded at the first stage in the criminal justice process, i.e. referring to initial reports by law enforcement agencies, before charges are issued and prosecution starts.
