

Annex I. REQUEST FOR ACCESS TO MICRODATA

a. Title of Research Project:

b. Dataset Requested:

c. Details of person in charge of the project

Name:

Functional title:

Email address:

Phone (country code, area code, number):

d. Details of the Organization

Institute / University:

Department/ Office/Section:

Head of Research/Department:

Street:

City / State:

Email address:

Phone (country code, area code, number):

e. Other persons involved in the project

Name:

Functional title:

Email address:

Phone (country code, area code, number):

Institute / University:

f. Other persons involved in the project

Name:

Functional title:

Email address:

Phone (country code, area code, number):

Institute / University:

(Repeat for all persons involved in the project as required)

- g. Brief Description of the Research Project (*Please describe the goal and methodology of the research project, how the data will be used, how the findings will be disseminated, ethical issues to be considered, how the project will ensure data confidentiality and what safeguards will be taken to avoid stigmatization of population groups, and other relevant details; max 300 words*):

Date:

Signature by Project Head:

Date:

Signature by Head of Research / Department:
